

Virginia's Consolidated Plan is a five-year plan that examines the housing and community development needs of the Commonwealth. It enables Virginia to administer funds from federal housing programs. Funds will improve the quality of life for Virginians who earn low to moderate incomes.

The Consolidated Plan, which is updated annually and submitted to the federal Department of Housing and Urban Development (HUD), covers programs such as the Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), the Housing Opportunities for Persons with AIDS (HOPWA) program.

Information about the consolidated plans (including annual action plans, citizen participation, Consolidated Annual Performance and Evaluation Report [CAPER] and more) may be found below.

DHCD values input in developing its Consolidated Planning Process. DHCD's Citizen Participation Plan is available [here](#).
